Online Safety Update

From the UK's online safety regulator, [Ofcom](#):

This Christmas, many children will be opening up new tech gifts and spending more of their time online.

Big gifts like smartphones, games consoles and tablets are often high on kids' Christmas lists, and amid the excitement it's worth remembering that for some children, these devices will give them their first opportunities to get online. It's important to consider how they can stay safe when they're finding their feet in the online world. Please remember to have parental controls in place where possible.

Happy Christmas!

As we draw a close to the academic term, we are incredibly proud and grateful to everyone that has contributed to an amazing Christmas week here at Larwood.

Highlights of the week have included our headline event of the school production of Elf, led by the inimitable Mrs. Longcroft, even when flu took hold. Our brilliant kitchen team managed to feed over 150 in one sitting, with children experiencing a full Christmas dinner alongside some impromptu sing alongs. In every class, we've had Christmas celebrations, from card designs through to competitive quizzing, the Larwood Christmas experience creates community and gives everyone reason to believe in the magic.

Wishing everyone a restful and merry Christmas and a very happy

PUPIL ACHIEVEMENTS

HEADTEACHER AWARDS

Mrs Boon - Logan for trying really hard to get it right and earning his points!

Mrs Lewis - Albie for showing great courage and confidence but performing in the Christmas show.

Miss Gwynne - Raife for a fantastic attitude towards his cold task in literacy.

Mrs MacGuinness - Leo V for his positive attitude towards his learning.

Mr Gotobed - The whole class for coping really well with all the changes this week.

Miss Kimpton's Space Hub - Jayden for being adaptable and accepting changes

ATTENDANCE AWARDS
