What is Discord?

Discord has been around since 2015 and whilst it has been seen as the social media app for gamers, this has changed. Discord is very popular across Years 5 and 6 not just for gaming, but simply as a means to keep in touch with friends and family (as per WhatsApp) or joining others in conversations on servers.

Dodge, duck, dip, dive and dodge

Opportunities to participate in meaningful sporting activity are a highlight for many of the students that join Larwood.

This week, we hosted three local primary schools in a community dodgeball competition, and were delighted to see our team represent themselves so positively. The other schools commented on the maturity, composure and resilience of our squad, who should be very proud of their efforts!

We are always looking to provide our students with activities that are purposeful, active, safe but, most importantly, enjoyable. Well done to the team, and a thank you to Mr Osobu, Mr Jacobs and Mrs Phillips for organising the event.
