Online Safety Update

Watching videos: Children love to watch videos and YouTube is always a firm favourite! But sometimes children can be exposed to videos that are not meant for them. YouTube Kids is a safer way for children to explore their interests. You can find more information about this on YouTube Kids: what parents need to know and you can set filters on YouTube following these instructions.

Football Heroes

We were delighted to host a football competition this week at Larwood! To say our students are competitive might be an understatement.

Kids tried hard, played as a team and represented our school values to achieve, believe, expect and enjoy from every angle.

Days like these go to show that every child is capable and together they can demonstrate sportsmanship and teamwork to bring home the silverware. We are so proud of them!

Football trials will be taking place on Thursday 16th for Year 5 and Year 6, with a view to selecting a regular training team with the goal to have more matches going forwards . Well done, everyone!

Dear parents and carers,

I hope that you have had a lovely summer with your children. We look forward to this year at Larwood School. This year is outlined below. As always, these events will still be important. We have always believed in reaching out to those less fortunate. As we are a small school, all of you should feel proud in supporting the charities below. You will notice that we also have a Hello Yellow Day that are solely to provide happy memories for our children.
