## Autumn Term 1

## Online Safety Update

### This issue includes

1. Online Safety Update
2. In School This Week
3. Halloween Fun
4. Pupil Achievements
5. Attendance Update

Keep the devices your child uses in communal areas of the house such as the living room or kitchen, where an adult is able to supervise. All the guidance around online safety suggests that Primary-age children should not access the internet in private spaces alone, such as in a bedroom or bathroom. During the pandemic your family's online habits will have changed and you may need to address some bad habits that have developed... better to do it sooner rather than later

# In school this week

As every Larwood student knows, on a Friday we celebrate the week's successes. We start the day with the Headteacher Awards, where we meet together in the Hall and recognise the individual and team efforts across the school - from the classroom wins to the wider achievements of classes and year groups. In the afternoon everyone is allocated to an activity hard won via our points system. For those unable to meet the points requirement, they may be directed to complete a reflection task instead.

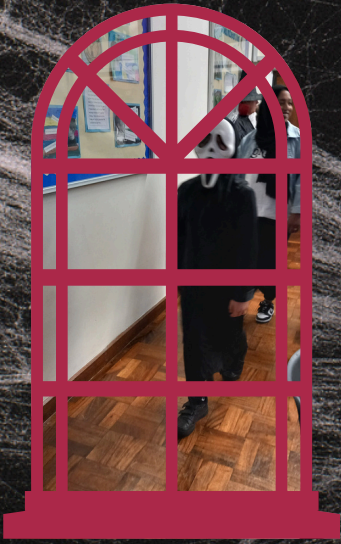

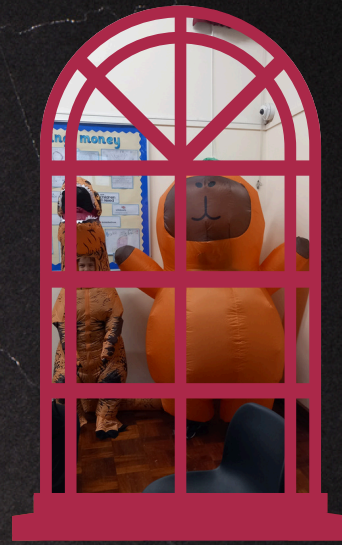

Every student knows that they have the opportunity to work towards their activity on a week by week basis. By providing consistent expectations, students are able to demonstrate their positive progress, make mistakes and learn from them.

As we head into the half-term, we'd like to congratulate all of our students on their hard work, and hope you enjoy yourselves over the break. For those going, have a great time trick or treating!
