### This issue includes

1. Online Safety Update
2. In School This Week
3. Pupil Achievements
4. Dates for the Diary

## Online Safety Update

Roblox, the game used by 90 million people daily, implemented some major updates which are available to users and parents in March 2025.

These safety updates include:

- Limits to how children under 13 can communicate.
- Parental controls accessible from the parents phone rather from the child's device (remote management).

See the full guide to Roblox parental controls on the Internet Matters website [HERE](https://www.internetmatters.org/parental-controls/gaming-consoles/roblox-parental-controls/).

# In School This Week...

We've had a fantastic week in school, filled with sunshine, smiles, and plenty of positive energy across all year groups. The brighter weather has brought lovely opportunities for outdoor learning and play, and it has been wonderful to see children making the most of it—whether working hard in lessons or enjoying time with friends. The atmosphere around school has been calm, happy, and full of enthusiasm for learning.

One of the highlights this week was a brilliant Pirate Day in the Space Hub! The children threw themselves into the experience with great imagination, arriving in fantastic costumes and taking part in a range of exciting activities. From creative tasks to adventurous role play, it was a joy to see their engagement and teamwork. A big thank you to everyone involved in making the day such a success—it certainly created lots of lasting smiles and memories!

## Coming up...

20th May 2026

Parents and carers will be invited into school to come and have a look at all the fantastic learning their children have been doing in school!

Further details to follow

# PUPIL ACHIEVEMENTS
