Online Safety Update

Playing games together is a great way to learn together and spend time as a family, it can also reduce your anxiety about what your child is doing online! This Family Gaming Database is aimed at helping parents and guardians navigate the world of gaming.

<https://www.familygamingdatabase.com/>

They have 3,504 Video Games and 197 Board Games in their database. Each one is hand-picked, deeply researched and tested with real families. Start your family gaming journey today...

In School This Week...

It has been a real pleasure welcoming everyone back to school after the Easter holidays. The children returned with bright smiles and a positive attitude, clearly refreshed and ready to learn. Classrooms have been full of energy, with pupils settling back into routines quickly and showing enthusiasm for the new term ahead.

Throughout the week, the children have engaged well in their learning, demonstrating curiosity, focus, and a willingness to challenge themselves. Teachers have been impressed by the excellent attitudes shown across the school, as well as the kindness and cooperation displayed towards peers. It has been a fantastic start to the term, and we are looking forward to building on this strong beginning in the weeks ahead.
