Online Safety Update

Supervise their online activity: During the summer holidays, children often spend more time online using games, apps and social media.

Online safety guidance recommends that primary-aged children should not access the internet alone in private spaces such as bedrooms or bathrooms. The summer break is a great opportunity to revisit family expectations around screen time, online behaviour and staying safe online before new routines begin in September.

It's the final countdown!

As we enter the final week of term, it is important to take a moment to celebrate all that has been achieved. This week's activities gave many of us the opportunity to have fun together, enjoy the sunshine and spend time with friends, while reflecting on a year filled with hard work and success.

These moments are made possible by the effort, determination and positive attitude shown by our students every day. Whether in the classroom, on the sports field, in performances, or through acts of kindness, you have given your best and achieved so much. Thank you to our parents and carers for your support, and to our staff for their dedication and commitment. We are especially grateful to everyone who has worked so hard during the recent heat.

It's important we take the opportunity to celebrate your achievements, spend time with friends, and make the most of the final days of the school year. Events like the Space Hub and Pathways end of year reward activity, with a bouncy castle and barbecue, were a real highlight of the week.

We hope that everyone finishes the term with the same enthusiasm, positivity and sense of community that has been evident throughout the year.

Finally, to the big event of the weekend... the football! We hope you enjoy the occasion, whatever your loyalties may be. Major sporting events have a wonderful way of bringing people together, creating memories and inspiring the next generation. Whether you will be watching with family, friends or cheering from afar, we wish everyone an enjoyable and exciting match. And if the football's not for you, there's tennis, cricket, golf...
