Online gaming: Online games are social activities, and most have features that allow children to chat with others whilst they play. For information about the positives of gaming, the risks of in-game chat and measures you can take to help protect your family, we suggest you read this article: In-game chat: a guide for parents and carers.

Dear Parents and Carers,

As we reach the end of another successful year, we would like to thank you for your continued support, kindness and cooperation. Your encouragement has helped the children thrive, whether through their enthusiasm in all activities, their commitment to small group interventions, or their teamwork within our sports team, we are proud of each and every one of them.

It has been wonderful to see the children grow in confidence, resilience and friendship throughout the year. As we look ahead to September, we understand that changes to class teams can feel significant, but these changes bring exciting opportunities, fresh starts and new friendships.

Thank you for being such an important part of our school community. We wish you all a happy and restful summer. For those students leaving us, we hope you've enjoyed a brilliant last week - with bonding afternoons and staff versus student football taking centre stage. We will miss you!

Kind regards,

*Mrs Osobu, Mr Baines, Mr Sheldon and
Mrs Sutton and the whole staff team at
Larwood Stevenage*
