

# We're Back!

## Larwood School

### Online Safety Update

#### WINTER TERM 1

#### This issue includes

1. Online Safety Update
2. In School This Week

As we get back into the swing of the school routine, many of us will be using screen time to support students to decompress from the day.

Remember, staying safe online is all about building trust and setting boundaries. If something feels wrong, it's okay to step back, say no, or talk the content your child is accessing. Open communication regarding what your child is engaging with develops relationships and helps facilitate healthy conversations around key topics. Please check your filters and parental controls are active - EE have a very useful guide on how to do this on their [website](#).

# Welcome back!

Dear Parents and Carers,

It has been wonderful to welcome both our new and returning pupils back to school. The start of a new school year is always an exciting time, filled with opportunities to learn, grow and reconnect with friends. It has been fantastic to see children settling back into the routines of the school day with such enthusiasm and positivity.

A strong school community is at the heart of everything we do, and we are grateful for the continued support of our parents and carers. By working together, we can ensure that every child feels happy, valued and ready to achieve their very best. We look forward to an enjoyable and successful year ahead.

In next week's newsletter, dates for the diary, student achievements and key school contact will be updated - please keep an eye out!
