Online Safety Update

Making friends online: The term 'online friend' can be used to describe people you only know through the internet, or those that you also know offline. Some children make friends online by meeting new people through online platforms such as gaming sites. To help children have positive online friendships, read this handy guide: Helping your child socialise more safely online.

Winter is coming!

As the days grow shorter and the temperatures drop, our students are showing just how much resilience they have! Getting out of bed on those dark, chilly mornings and tackling early starts isn't always easy, but it's all part of building positive habits, determination and a fantastic attitude.

Whether it's wrapping up warm, embracing the fresh winter air or arriving ready to take on the day, our students continue to demonstrate that a little perseverance goes a long way. These small daily challenges help develop confidence, independence and the ability to push through when things feel tough. This week saw Miss Heritage's class get their MacDonald's breakfast reward for great attendance - well done team! Next week will be the big Children In Need Bake Sale alongside a non-uniform day. We can't wait to see some amazing onesies and pjs.

And there's plenty to look forward to! With December just around the corner, excitement is already building for what promises to be a busy, fun-filled month. From festive activities to end-of-term celebrations, there's lots to keep spirits high. So, let's keep those positive attitudes shining brighter than the winter sunshine and make every day count. We're proud of our students' efforts and can't wait to see what the coming weeks bring!
